West End News

The Brochure Committee of the West End Association has been organized to compose interesting information about our charming and unique neighborhood. This professional brochure will be used to acquaint new residents and inform present residents about our community. WE NEED YOUR HELP!

Workers...Writers...Illustrators

If this brochure is to be effective, we desperately need:

- a) Historical gossip and anecdotes
- b) Old Documents
- c) Old photographs (can be copied and returned within two days)
- d) Your suggestions

Please fill out the enclosed coupon on following page so you can be contacted.

A second goal of this committee is to create a West End Logo. This Logo will serve to identify West End beautification areas and restoration projects. A contest is now open for sketches for a West End Logo. All entries will be considered by the Board of Directors and a Logo will be unveiled at the June picnic.

The winner will receive local acclaim plus a party given in your honor. Submit all entries on or before June 15, 1975 to:
