

## WEST END NEWS

JANUARY 1978

This newsletter is a timely reminder that the annual meeting of the West End Association will occur on Tuesday, January 17, at 7:30 p.m., at the Y.W.C.A. This is a very important meeting, as election of officers and a new board of directors will occur. Please make every effort to attend.

The Nominating Committee, consisting of Ben Wilson and Karl Stauber of the Board, with the assistance of Peyton Russ and Rolfie Teague, has proposed the following slate. Please note that the Committee has attempted to find candidates for office who are willing and eager to serve, and that in almost every instance more than one person is standing for office. Of course, nominations will be open during the meeting, and even more people can be nominated should that be desirable. Please study this list, and be prepared to ask questions, hear from the candidates, and vote on those you choose to assume office in 1978.

For officers, the Nominating Committee presents the following candidates:

President	- Thorns Craven, Ellen Yarborough
Vice-President	- Paul Shepard, Joy Watson
Secretary	- John Mitchell Mike Page
Treasurer	- Judy Freeman

For the twelve positions on the Board of Directors, the Nominating Committee has proposed a slate of nineteen persons, with a novel twist. Feeling that many people might serve if the burden of office could be split inside a family, five nominees are nominated as couples. This will require an amendment to the bylaws, which will be proposed on Tuesday night. You might give the idea some thought beforehand.

The nominees for membership on the Board of Directors are:

Judy Aanstad	Jessie Goslen	Jeff Smith
Madge Bolin	Bill Harper	•Hollis Stauber
Rufus Bost	Joe Healy	Richard Teague
Mrs. D. T. Carmichael	Ron Little	•Wylie & Chris Yarborough
Lon & Angeline Coffin	•Ernest Logemann	Julia Wilson
Sam & Vickie Cook	Vern & Ester Mock	
Ann Freeman	Hege & Peyton Russ	

The election will be the principal item on the agenda on Tuesday. Please make every effort to attend.

## THANKS

This newsletter is primarily intended to remind you of the annual meeting and give you the notice concerning candidates. It should not pass, however, without extending some very hearty thanks to persons who were responsible for our very successful Christmas Party. Madge Bolin was the principal force behind the party this year, and she deserves a great deal of credit for making the event one of the nicest we have had. All the persons who worked with Madge were great. Also deserving thanks are some neighborhood merchants, particularly City Beverage, which donated the champagne which found its way into the punch, and Food Fair, which provided many of the edibles. Both these firms have demonstrated their commitment to the West End and to its residents, and their generosity is greatly appreciated. Members who are in these stores in the future might make a personal statement of thanks. Of course, we are also grateful to the Woman's Club and its officers and members for allowing us to have our party, and having their clubhouse. Several of the officers attended the party, and having such an event strengthens not only the bonds between neighbors, but between the West End Association and institutions which share our neighborhood with us.

### COMMUNITY DEVELOPMENT FUNDS FOR "WEST END: SOUTH"

"West End South," which is the area of the West End south of First Street and bordered by I-40 and the alley behind Fourth Street on the east side, has been tentatively approved as a Community Development Project Area and is expected to start receiving Community Development funds for 3% interest rehabilitation loans and other neighborhood needs beginning in July of this year.

The designation was made by the Board of Aldermen at a six-hour meeting on Saturday, January 7, 1978, with the Community Development Management Team, which has had the task of investigating and evaluating the needs of several neighborhoods of Winston-Salem and which recommended West End South as a new Community Development Project Area.

Final approval and submission of the appropriate applications to HUD will take place after the public hearing which is scheduled for February 6, 1978, at 7:30 p.m., at City Hall, so it is important that we sustain our effort and support for Community Development funds for this section of the West End.

A West End South neighborhood meeting has been scheduled for 3:00 p.m., Sunday, January 22, 1978, in the home of Paul and Claudia Shepard at 1406 Jarvis Street in order to discuss the Community Development Program. For further information, please contact Paul Shepard at 722-8253.

### TREASURER'S REPORT

A detailed financial statement will be available on Tuesday night. For this newsletter, suffice it to say that in 1977 we took in \$3,596.53, and obligated a total of \$3,730.08, leaving a deficit of \$133.55. It should be pointed out that we currently have over \$2,100.00 in our bank accounts, because 1977 obligations remain to be paid, principally on the sculpture project. At any rate, we will need to raise money during 1978, and your membership renewal at this time would be appropriate.

Please use the membership form below. Send the form (leave label attached), with changes noted, along with your check for the appropriate amount.

WEST END SOUTH NEWSLETTER

You are invited to a neighborhood meeting at 3:00 o'clock, p.m. next Sunday, January 22, 1978, at the home of Paul and Claudia Shepard, 1406 Jarvis Street, Winston Salem, N. C., at which we residents of the West End South (the area marked on the attached map) will discuss several matters crucial to our future.

The Board of Aldermen has tentatively approved the West End South as a Community Development project area, as recommended by the city staff after a thorough study. Funds for the neighborhood are expected to be available beginning this July. Harry Weiler of the Planning Department will be on hand to explain the program (which includes 3%-interest loans for home rehabilitation) and to answer questions.

It is most important that we sustain our effort and support for community development funds for this neighborhood, because final approval of the project areas will not be given until after a public hearing February 6, 1978 at 7:30 p.m. in City Hall.

PLEASE COME TO OUR MEETING!!

Paul C. Shepard  
Resident  
West End South  
(and member of the West End  
Planning Committee)  
1406 Jarvis Street  
722-8253
