FEBRUARY 1979

ANNUAL MEETING AND ELECTION

The annual meeting and election of officers and board members of the West End Association will be held on Wednesday, February 28, at 7:30 p.m., at the Glade Street YWCA. New and renewal memberships will be accepted at the meeting, so old and new members may enroll for 1979 by completing a membership blank and bringing a check. There are extra membership blanks in this newsletter, so please invite your friends and neighbors to come to the annual meeting and join the West End Association for 1979.

The Nominations Committee, chaired by Madge Bolin, has completed its work and a list of their recommended nominees is included in this newsletter. Our thanks go to Madge and rest of the committee for their efforts. Additional nominations, of course, may be made from the floor, so please be thinking about all possible candidates and come to the annual meeting on Wednesday to cast your vote.

In addition, there will be reports as to recent activities of the West End Association and other matters of interest to the neighborhood. The West End South Community Development Committee, with the support of the West End Association, has petitioned for a zoning change on First Street and will report on this and other activities in West End South as well as the City's Community Development Program; the treasurer will report on the suddenly lucrative state of the West End Association's financial affairs; the Projects Committee, chaired by Stephanie Mitchell, is still soliciting ideas for how to spend our money; the West End Bicycle Race is only a little over two months away (May 5); a citywide council of neighborhoods is in the process of formation; and the City Planning Department is studying our West End Neighborhood Plan in order to come up with staff recommendations to submit to the City/County Planning Board. More on these and other topics at the annual meeting. See you there!
