WEST END CALENDAR

Tuesday, February 4 - Annual Neighborhood Meeting & Election of Officers at St. Paul's Episcopal Church.

Wednesday, February 5 - West End closing date for submissions to Joyce Gravlee, 1205 Clover Street.

Annual West End Meeting to be held February 4, 1986 at St. Paul's Episcopal Church.

The calendar comes first this month, because we're having a big meeting. The annual neighborhood meeting not only serves as an opportunity to elect new officers for the association but it also gives us all a chance to talk about what's going on in the West End. It's your chance to be heard in a public forum...tell us what's right or what needs to be improved. Meet the candidates who want to help make policy decisions for your neighborhood.

Here's the slate of officers proposed by the nominating committee.

*Because we have two strong candidates willing to run for president, it has been proposed that the candidate receiving the more votes be president with the other as vice-president

Chris Chapman is a 2-term board member with an interest in the Historic Preservation District. He co-chaired the last Christmas House Tour. He is in the commercial real estate business. He and his wife, Mary Beth Blackwell-Chapman have 3 children, Jacob, MacNeill and Molly and live at 520 Jersey Avenue.

W. Warren Sparrow, an attorney, has been a resident of the West End at 1117 W. 4th Street since 1972. He's currently vice president of the association and is a former board member. He and his wife, Becky, have 4 children. He holds a law degree from Wake Forest, a civil engineering degree from Duke and spent 3 years on active duty in the U.S. Navy.

As you can see, all of their experiences could be most helpful in the job as president of our association.

Outgoing Board Holds Final Meeting

The news at the last board meeting was generally good. The Historic District documentation proceeds on schedule. Anyone having questionnaires on the history of their house or old photographs, clippings or blueprints is encouraged to call Gwynne Taylor at 725-9000. We'd like to copy old documents and photos to verify our information and to provide a single good source of neighborhood history.

The neighborhood will be getting trees in the spring from the city. A bidding process with nurseries is underway.

Hopi Elliot was named chairman of a task force to look into our neighborhood's experience with building permits and inspections. This is in response to a request from alderperson Martha Wood.

The only bad news is that some of you didn't pay your dues last year and missed getting your last few newsletters. The enclosed bill is our way of keeping you and our bank account up to date. Please write your check today.
