

FEBRUARY 1999

MINUTES FROM THE JANUARY MEETING

26 people, including 2 Winston-Salem police officers, attended the January meeting. The police officer (s) give a report at each meeting of crimes that occurred in the downtown area. If you would like to find out more, come to the West End Association meetings or call the **CrimeTIP Information Line** at 607-7260.

Helene Tyson presented her report on the 1998 West End Holiday Home Tour. Once again, thanks to everyone who helped and all who attended for making the 1998 Tour a success.

The Signage Committee reported that the West End Sign Project is moving forward. One interesting development - the City is no longer requiring the signposts to be breakaway. This should reduce the total cost of the project.

The meeting time for the Nominating Committee for election of Association Officers and Board members was set.

Brian Cormier, the chief executive of the Winston-Salem YMCA, will make a presentation at the March meeting concerning the proposed Aquatic Center. Hopefully, he will address questions covered in the letter Jim Vaughan sent last October. This presentation should be very informative and is another reason why you should get involved with the Association.

The next meeting, which is our annual meeting will be **Tuesday, Febuary 2nd 1998 at Brunson Elementary School cafeteria from 7:00 to 8:45.** Everyone is invited.

COMMUNITY ROOTS DAY 1999 will take place on Saturday, March 27 from 9:00 AM to 1:00 PM. Join the other adults and kids in planning over 200 trees along the major streets of West Salem neighborhood on the morning of March 27th. Call Nancy Day at 727-2087 for more information and to sign up yourself or your group. This event is sponsored by the Community Appearance Commission and City Roadway Appearance Division.

The City will begin emptying the green yard waste containers on February 1st. Time to get out in this spring-like weather and start cleaning up the yard, gutters and other areas around the house. (Doubtful this weather lasts until the "real" spring!)

Each spring and fall **Scharme Shawn** turns her home into a boutique. As a wardrobe consultant for **D. Terrell Ltd.**, Scharme offers women an attractive alternative for their shopping needs. In less than an hour, a customer can select a full season's wardrobe - while bypassing the traffic jams, crowds and overwhelming inventory. Instead, she will enjoy personal service without pressure while selecting from a collection of contemporary and classic clothing and accessories. If you are interested in "one-stop" shopping and personal service in pleasant surroundings, call Scharme for an appointment to see her
