HIGHLIGHTS OF THE NOVEMBER 7, 2000 MEETING

Police Report: The police are receiving few calls from the West End and the officers indicated this is very good for such a large area. They reminded people that leaving items in cars and failing to lock vehicles is asking for trouble particularly with the Christmas season coming. There was discussion about traffic calming devices. Interest was expressed in learning more about what can be done to prevent speeding throughout the neighborhood.

HERE'S THE POOP by the editor

Some parking problems have been brought to my attention recently by several residents. These include:

1. Drivers parking so close to driveways that it is impossible for residents to pull into or out of driveways (Note: parking less than 4 feet from a driveway is a parking violation and subject to ticketing or towing).
2. Blocking driveways altogether.
3. Parking 2-3 feet from the curb. (Yes, I saw this myself this past Friday night).
4. Apartment dwellers using limited on-street parking spots rather than off-street parking that is provided for their apartment building. This is particularly problematic for the many West End residents who do not have driveways.

Please mind your parking etiquette.

Feel free to email me with any observations you would like to share with your neighbors in next month's "Here's the Poop." My email address is msevick@wfubmc.edu.

AND NOW A WORD FROM OUR SPONSORS

Bella Capri Pizzeria & Italian Restaurant is celebrating its first anniversary on December 1st. The owners, Gino and Maria Darwish, invite you to celebrate with them at their location at 878 West Fourth Street. They are offering gift certificates that can serve as great grab bag gifts and stocking stuffers. Come and enjoy the taste of authentic Italian pizza and other wonderful lunch and dinner specialties in a delightful diner atmosphere.

Hill's Alterations and Tailoring. Aurelia Hill, a West End resident, has been in the alteration business since 1978 and at her convenient location on Fourth Street since 1985. Aurelia learned her craft in her homeland of Liberia, where academics and vocational training are part of every student's education. She specializes in re-weaving and leather repair, in addition to regular alterations for men's and women's clothing. A good place to remember after your annual holiday weight gain, or any time your clothing size collides with reality.

Kitchen Center of Winston Salem. The Kitchen Center, on Burke Street, specializes in cabinetry for all of your home needs. In addition to kitchen cabinets, there is a wide assortment of cabinetry for entertainment centers, home offices, and bathrooms. The styles range from old world through traditional to modern with a
