**West End Wins Award!**

At the Citywide Neighborhood Association Conference last month, the West End received an award and recognition as the neighborhood of the NW Ward! George Bryan, past West End president, accepted the award on the behalf of our GREAT neighborhood. Some highlights mentioned were the work with traffic calming, involvement with HRC, zoning, our discount WE Card and many other initiatives.

**Arts Alley Coming to Downtown**

Construction is well under way in the lower level of Commerce Plaza, at 411 West Fourth Street, to complete 'Arts Alley,' the second phase of the Community Arts Cafe's physical location. A Grand Opening is scheduled for July 24, 2010. The exciting new space will add the following elements to The Community Arts Cafe's overall vision:

- **Internet Café**— Coffee, Tea, Wine, beer and baked goods will initiate CAC's culinary arts element in 'the ultimate place to hang out' for the arts.
- **Underground Theatre**— A large flexible space just off of the cafe featuring performances of music, theatre, dance, comedy and more.
- **Three new galleries** — Arts Alley will offer the Underground Theatre Gallery, the Conference Room Gallery and the Development Center Gallery.
- **Artist development center**— will house a creative writing center, arts lending library, studios for independent study of music and a multifunctional conference room among other features.
- **Conference room**— serves multifunctional purposes including an exhibition gallery & wine bar, and will also be available for meetings, workshops, intimate performances and private catered 'Art Dining' parties.

For more information contact **Jim Tedder** at 336-793-8000, jim@communityartscafe.com or visit <http://www.communityartscafe.com>

**Yard Waste Carts are in the Way**

Tired of walking around those yard and trash carts that some neighbors leave on the sidewalk all week long? If so, call City Link at 727-8000 to complain. You can do this anonymously and it takes just a minute. A city ordinance states that these carts should remain on the sidewalk for only 24 hours each week. Let's keep our neighborhood as pedestrian friendly as possible.

Want to know more about City Link?

City Link centralizes access to city information and services through one, easy-to-remember, easy-to-use telephone number. Dial 727-8000 to speak with a professional customer service representative who will answer your questions, provide information, or dispatch a service request for work to be completed. You do not need to be familiar with the structure and responsibilities of city departments.

City Link is open 24-hours-a-day, 7 days a week.
