Every 2nd Monday:
Mar. 26, Apr. 9 & 23, May 7 & 21

Do not store collection carts at the curb.
Place carts at the curb no sooner that 6PM the day before collection and remove from the street by 8AM the next day. City code requirement. HRC Guidelines require trash and recylce containers to be stored where they are not visible from the street.

Planning to Install Satellite TV?
Satellite dishes must NOT be visible from the street. Call the staff of the Historic Resources Commission for advice BEFORE work begins: (336) 747-7054.

Grace Court Wall Replacement Completed

The City Recreation and Parks Department has completed the project begun in February of last year when the damaged brick wall along the north border of Grace Court park was removed (see *The West Ender,* Feb 2017). The project was designed by Jordan Consultants, a local landscape design company and consrtuction was done by Dalton Contracting, LLC, a general contractor based in Clemmons.

The West End Association worked with Recreation and Parks and with Northwest Ward Councilmember Jeff MacIntosh from the beginning of the project. We are pleased that the contractor was able to use granite curbing from Mt. Airy instead of the originally proposed concrete curbing. Although the new granite looks bright today we can expect it to age as gracefully as the traditional granite curbing found throughout the West End. The contractor also rebuilt the brick entranceway (in the foreground of the photo) and reinstalled the original iron hand rail that had been removed when the original brick wall was torn down. As the plantings grow and mature they will form a more attractive border between the park and the office complex next door.

Photos and story by M. Lively

Annual West End Easter Egg Hunt

The annual West End Association Easter Egg Hunt welcomes our neighbors and friends of Historic West End. This year the egg hunt will be held on the Sunday BEFORE Easter, March 25, in Hanes Park at the Children's playground located near the intersection of West End Blvd. and Clover St. The egg hunt will begin promptly at 1:00 PM so be sure to arrive before then. All of the eggs are usually discovered by the kids within the first 10 minutes so don't be late. Some light refreshments will be provided.

Once again Melissa O'sullivan is organizing the egg hunt. Melissa says the Historic West End Easter Bunny is expected to make an appearance during the egg hunt.

This is one of the fun social events sponsored by your West End Association each year. We hope to have a good turnout on Sunday. Any changes because of weather will be posted on the West End list serv and on the West End Neighbors Association Facebook page. Follow us there!

Great Grandson of Former West End Residents Shares House History

The West End Association received an interesting letter with a new membership from Mr. Mac Wagstaff, a resident of Roxboro, NC, located about 90 miles from Winston-Salem. Mr. Wagstaff is a descendant of an old West End family. He provided some personal history about the Brock-Horn-Maslin House that was featured during the 2016 West End Holiday Homes Tour. It is currently the location of the offices of the Holton Law Firm, LLC, a West End Association business member.

Many West End neighbors know this house as the elegant wood frame Victorian structure on West 5th Street located across from the Rosenbacher House (1909), a grand neoclassical revival building that was once the home of Michael's restaurant. It is now occupied by LMI Builders, who restored the house in 2016, and Tart Sweets bakery.

LMI also rescued the Brock-Horn-Maslin house that was first built in the 1890s. In recent years, it had fallen into serious disrepair and was at risk of demolition. Fortunately, LMI Builders restored the house in 2016 and the Holtons relocated their law offices to the building. The house is once again in good condition and should stand for another 150 years. <If you have similar stories and photos of historic houses in West End, please share them with us at **thewestender@yahoo.com.**>

13 March 2018, Roxboro, NC
Dear Sir,

I am the great grandson of Robert Byron Horn and Pearl Barbour Horn who owned the Brock-Horn-Maslin House at 857 West Fifth Street from 1903 to 1913. My grandmother grew up in this house. I have many distant relatives in Forsyth, Yadkin, Davie, and Iredell counties. I have a black and white photo of this house with the original wrap around porch in my possession that I would be glad to share with the appropriate parties. Robert B. Horn was the Sales Manager of R. J. Reynolds Tobacco Co, from June 1902 to Januray 1907. Horn was a director of R. J. Reynods Tobacco Co. from August 1905 to April 1907. He also operated R. B. Horn Candy Co. in downtown Winston-Salem. He also invested in numerous building lots in West End that he or his wife eventually sold for profit. He founded the Crutchfield Development Company with J. H. Hill and J. F. Auge, all leading merchants and prominent city figures. One building I am aware they constructed was the Sixth and Vine Street building.

I hope someome finds this information helpful. I look forward to your 2018 West End Association Home Tour later in the year.

Sincerely, Mac Wagstaff

The Brock-Horn-Maslin House, October 2016.
Located at 857 West 5th Street, Winston-Salem. Note the "sawnwork" Victorian ornamentation in the front gable and the spindlework frieze across the porch. The interior features paneled and beaded board wainscots and an open string stair. The "tower" over the entrance bay has a Palladian window. Stained glass windows are preserved throughout the house.

West End Neighborhood News

New West End Association President

Jo Ann Mount is your new president of the West End Association. She replaces Mark Lively who has served since 2011. He will continue to advise the board as Immediate Past President. The newly elected West End Association officers and board members are:

Jo Ann Mount	President
Clint Buss	Vice President
Jan Wharton	Secretary
David Elam	Treasurer-elect
Margaret Herman	Board member
Victoria & Kevin Goral	Board members

Continuing board members/officers are:

George Bryan	Treasurer
David Elam	Board member
Keith Stone	Board member
Carol & Ralph Moore	Board members
John Merschel	Board member
Dan Bradley	Board member
Bryan & Kristina McElhinney	Board members

WEA thanks **Frank Johnson** who rotated off of the board after serving 3 two-year terms. The **McElhinneys** will be moving away from Winston-Salem in June so they will resign from their seat at that time. WEA thanks them for their participation and wishes them the best of luck in Maine.

Business 40 Improvement Project

The West 4th Street bridge has been removed and is being replaced. The road will be closed until the new bridge is completed, some time in late 2018. For real time closure information, check: Business40NC.com

Neighborhood Crime and Safety Meeting

WEA President Jo Ann Mount reports "I want to let you & others know that we will have a Neighborhood Crime, Safety, & Prevention Meeting at the April 24 meeting of the West End Association. We will have someone from the WS Police Department to address our concerns about auto & home break-ins and to offer crime safety & prevention tips. Jeff MacIntosh, our City Council Representative, will be present as well. "

The meeting will take place at the regular WEA meeting on Tuesday, April 24, at 6:00 PM in the West End Room of the William G. White YMCA.

Hanes Park Renovation and Repairs

It has been a long time coming! After more than three years of planning and disucssions, the project plan has been approved by the Historic Resources Commission, appropritate state and local permits have been obtained, an acceptable contractor bid has been identified, and the bid is scheduled to go to the City Council meeting as a consent item for approval on March 26. Once it has been approved, work can begin. Councilmember MacIntosh has said that a formal groundbreaking ceremony will be scheduled at the earliest opportunity. Watch our list serv and Facebook page for an announcement.

Spring Park Erosion Control Project

The City is ready to begin the project to repair the storm drainage and erosion problems that have plagued Spring Park for years. Most of the pieces are in place but there is yet another delay now as we are all waiting for the owners of private property adjacent to the site (NOT the apratment owners) to sign an agreement with the City that will allow them to begin work. As soon as that agreement is in place repairs can begin. Mid April?
