# Ludlow and Sheppard Houses Restored!

The West Ender has followed the saga of the restoration of the Jacob Lott Ludlow and B.J. Sheppard Houses for years. The “Before” and “After” photos below show the transformation that Alspaugh and Baldwin have made since acquiring the properties. Restorations were not yet complete in September when we visited the houses (note the construction supplies on the porch). The changes in the houses have been dramatic. The Baldwin team plans to have both houses ready for occupancy in December. They will be operated as a Bed and Breakfast Inn. Ludlow has 4 rooms and Sheppard has 6. Tour guests will visit both houses to see the restorations for themselves. Plan to attend the 2022 West End Holiday Homes Tour.

# THANK YOU 2022 Homes Tour Sponsors

The West End Association is grateful for the community support for our Historic Holiday Homes Tour. The Tour is the major source of funding for the West End Association and is generously sponsored by donations from local businesses as well as guests who attend. We are also highly dependent on the many volunteers who help to stage the tour. There are still many opportunities to join our effort to make this 2022 Tour a successful event. Contact Dan McLaughlin by email ([djmclg@gmail.com](mailto:djmclg@gmail.com)) to volunteer. THANKS to our sponsors for their financial support!
